

regulate liquor licenses. So that is an inconsistent argument and if that's the only one he has, it shows that there are no valid arguments against this bill. Also, Senator Hefner, it did have a public hearing and there was no opposition from editors, reporters, the public or anybody else. Now, what I would like to do in the interest of time is to yield a minute to Senator Bill Harris and following him, a minute to Senator John DeCamp.

PRESIDENT: Senator Harris.

SENATOR HARRIS: Mr. President, members of the Legislature, for years I have backed the concept of increased compensation for legislators, whether it be in the form of salary increases and in this case, as Chairman of the Retirement Systems Committee, I felt it my duty to make sure that we got a court test, if possible, on this particular issue. In regard to the hearings, we'd had two bills in the Retirement Systems Committee. We heard both bills. There was full discussion. I chose one of the bills as a priority bill for the Retirement Systems Committee. We simply attached it to another bill in order to move it right along. I think that we should get a court test on this. There is no A bill. There is no spending. We will find out if this is one avenue to take to increase the compensation for the legislators and remember, when they drew up the Constitution, the concept of retirement was not even a concept that was being practiced by the State of Nebraska in most of the industry in the United States. So I strongly urge you to support Senator Chambers in his motion to override the Governor's veto. Thank you.

PRESIDENT: The motion is to override...oh, excuse me. We still have another...Senator DeCamp, yes, okay.

SENATOR DECAMP: Let Senator Goodrich talk instead.

PRESIDENT: Senator DeCamp. Senator DeCamp. Well, he has given you a minute...

SENATOR CHAMBERS: He doesn't want it and to save time, I don't have anything to add so we can go ahead to the vote. Thank you.

PRESIDENT: Thank you, Senator Chambers. The motion then is to override the veto of LB 1129. There is a request for a call of the house. The question is, shall the house come under call? All in favor vote aye, opposed vote no and what is the vote, Mr. Clerk?
